

March 26, 2015

Windmill International, Inc. has been awarded an IDIQ contract to support the Engineering and Technology Acquisition Support Services II (ETASS II) program for the U.S. Air Force Life Cycle Management Center (AFLCMC). The ceiling value of the contract is \$851M over a three year period of performance.

The Windmill-led team will provide a broad range of technically-oriented Advisory and Assistance Services (A&AS), to include systems and specialty engineering, architecture development, modeling and simulation, test and evaluation, information assurance, and other technical and acquisition support services. Windmill's ETASS II team includes Honeywell Technology Solutions, Inc. (HTSI); Northeast Engineers; Leading and Dynamic Services and Solutions (LDSS); EMN Defense Services, Inc.; Epsilon Systems Solutions, Inc.; Essential Data Corporation; I Square Systems, LLC; IR Technologies, Inc.; and Integron, LLC.
